## Primary Achievement Award

Angela Johnston, Year 6

Angela approaches learning with enthusiasm and a positive attitude. She is organised, self-motivated and always works to the best of her ability.

Debra Reynolds

Seaton Screaigh, Year 5

Seaton has presented many quality projects and tasks this year demonstrating a high level of understanding, skill and presentation.

Brad Woodbrook

Saarah Amiruddin, Year 5

Saarah is a motivated student who consistently returns work of a high standard. Her presentation of lessons is always exemplary.

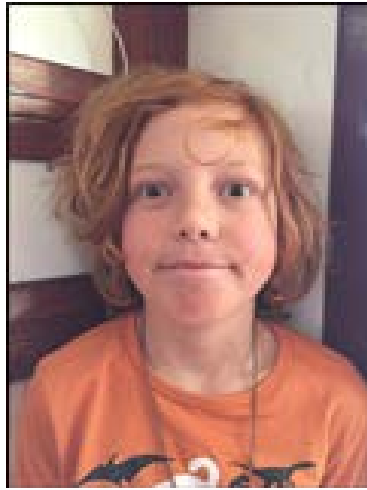

Brad Woodbrook

Jack Beeck, Year 5

Jack is a capable, enthusiastic and curious student who enjoys learning new things. He has shown initiative in his studies and rises to a challenge. Jack perseveres and works steadily to return his work on time and to a good standard.

Debra Reynolds

Shay Douglas, Year 4

Shay is to be congratulated on the significant improvement shown in all learning areas this year. He has become a more independent worker and has approached his work with greater confidence.

Amanda de Vos

Riley Keith, Year 4

Riley is to be congratulated for his consistent commitment, sound progress and positive approach to his SIDE studies.

Liz Deague

Marlowe Jones, Year 3

Marlow has returned work of a consistently high standard in all learning areas. His commitment to learning is to be commended.

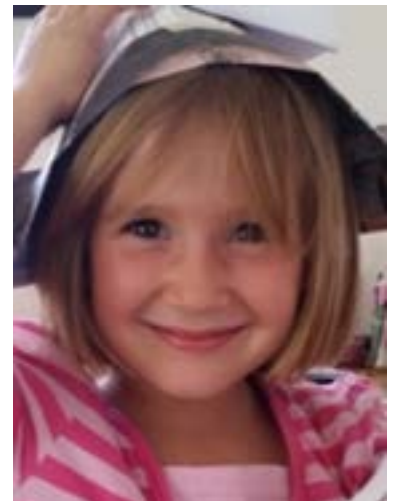

Amanda de Vos

Antonio Malak, Year 2

Antonio always strives to do his best, takes pride in his work, responds positively to all advice and returns work regularly.

Jenny Locke & Meredith Goodlet

Nyah Lauchenauer, Year 1

Nyah has a positive and enthusiastic approach to all learning opportunities. She has been immersed in a supportive learning environment and produces work of a high standard.

Kathy Cokis & Barbara Parcevski

Indah Rasitto, Year 1

Indah's achievement has been outstanding in all learning areas. She approaches all school work with enthusiasm and completes all set work to a very high standard.

Mary Obrecht

Yusuf Amuruddin, Year 1

Consistently high standard of work in all subject areas.

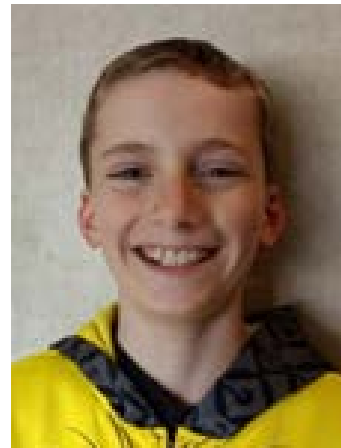

Mary Obrecht
