

# LANGUAGES

## Learning Area Description

In the Languages learning area, students learn to communicate effectively in languages other than English. They gain an understanding of other societies, the ability to interact with people and cultures other than their own and employ practical skills which they can use in future social, cultural and vocational areas. Through Languages, students are also able to further develop their skills and understandings in English and of literacy in general.

## Pathway/Options

Students who already have some knowledge of the language in which they are enrolling will commence at the appropriate point along a continuum of learning. This is determined in consultation with Student Coordinators and the relevant language area.

Students with no prior knowledge of the language will start with a beginner module, regardless of year level. Students aiming to enrol in an ATAR language course in Year 11 may not have time to cover content if they do not commence study of the language in Year 7.

Lower school language students require a minimum of *two hours per week (120 minutes)* for their language study in order to progress through the program at the expected rate.

## Material Requirements

All Language modules are delivered through Moodle and online lessons.
