VET Endorsed programs and Qualifications

ENDORSED PROGRAMS

Endorsed programs are significant learning opportunities for senior secondary students, delivered through lessons or activities to achieve specific outcomes. They may be part of the school curriculum or extra-curricular, with a maximum of four unit equivalents counting toward the WACE (two in Year 11 and two in Year 12). Further information is available on the SCSA website ***Years 11 and 12 | Endorsed Programs***

COURSE NAME	KEY CONTENT
ASDAN	ASDAN offers curriculum award programs that combine activity-based learning with the development, assessment, and accreditation of key personal and social skills. They focus on rewarding achievement while helping young people prepare for the transition to adult life.
Community Arts Performance	This program recognises students' learning through community-based arts activities (dance, drama, media, music, visual arts). Students develop skills through lessons, practice, rehearsals, and performances.
Community Service	This 55 hour program requires at least 50 hours of community service plus up to 5 hours of induction and reflection, allowing students to develop skills and understanding through one or more service activities.
Elite Sports Performance	This program recognises students selected for state or higher-level competitive sports, requiring at least 110 hours of skill and knowledge development. It builds technical ability, discipline, and interpersonal skills through training and competitions.
Off Campus Enrichment	This program recognises learning from extended excursions or off-campus experiences of at least five days, with at least 5 hours of related pre- and post-trip activities. Examples include study tours, sporting events, or interstate educational trips.
Recreational Pursuits	This program recognises student learning through organised recreational activities involving lessons or classes, usually within a club or organisation, to develop technical and specialist skills.
Keys for Life - Plus	This is a 40 lesson driver education program for Year 10-12 students focusing on safe driving, licensing, and decision making. Eligible students (aged 15+, 80% attendance, completed journal) take the official Learner's Permit Theory Test at school.
Workplace Learning	This program lets students gain transferable skills through real work experience. Students log hours and tasks in a Workplace Learning Logbook and complete a Skills Journal after every 55 hours worked.
Tertiary preparation endorsed program (TPEP)	TPEPs, developed by universities and other providers, offer structured learning leading to a quality assured certificate that helps prepare students for tertiary studies. SIDE offers the Curtin UniReady program.

UniReady in Schools

A Partnership with Curtin University

Curtin University

UniReady is a **Curtin University** academic program designed to prepare Yr 11/12 students for a pathway in higher education.

1. The **UniReady** Program is completed as one of the students school courses in Yr 11 and 12. There are four units that must be completed:

CORE -	*Fundamentals of Academic Writing*
CORE -	*Foundations of Communication*
ELECTIVES -	*Introduction to Humanities*
	Introduction to Mathematical Basics
	Introduction to Commerce
	Introduction to Health Sciences

2. From 2027, Yr 12 students are required to complete an **ATAR** course as part of their program. It is recommended students commence an **ATAR** course in Yr 11.

3. Students must ensure they understand and meet the following course requirements:
   - Live attendance and engagement in all online classes using camera and microphone.
   - Adhere to **Curtin University** Assessment policy.

4. Successful **UniReady** Program students are awarded a notional ATAR of 70 which satisfies the entry criteria for a range of degrees at **Curtin University** and some other universities.
